FACULTY OF EDUCATION

YEARBOOK 1981-82

*AN
EXTRA SPECIAL
DEDICATION*

IT IS WITH THE GREATEST OF PRIDE THAT WE, THE GRADUATING CLASS
OF 1982, DEDICATE THIS YEARBOOK TO

DR. PATTI BROWNE

A WOMAN WHO, AS ASSOCIATE DEAN STUDENT SERVICES, HAS DONE MORE
TO FURTHER THE CAUSE OF EDUCATION STUDENTS THAN ANYONE ELSE WE
KNOW ...

DEAN WORTH

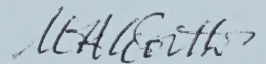

DEAN'S MESSAGE

Most of this year's graduates have been through the revised undergraduate program of initial teacher preparation launched in 1977. Among the salient features of this new program are these:

1. Four routes or specializations: elementary, industrial arts, secondary and vocational;
2. An expanded core of required courses;
3. A three-phase practicum totalling 13 weeks;
4. Provisions to enhance group identity and cohesion among students;
5. Arrangements for linking course work and field experiences.

The new program is not intended to provide all the knowledge and skill development which the graduates will need for the duration of their professional careers. A teacher's role is far too complex and changeable for that to be the case. Rather the new program is intended to provide a base for the rapid learning and adaptation which will be required to ensure survival and satisfaction in the early years of teaching. Subsequently, like other professionals in our society, they will need to keep abreast of new developments in knowledge and skill areas, maintain their enthusiasm for the service they render and heighten their effectiveness in providing that service.

We wish each graduate every success and much enjoyment in their future work as a teacher.

WHAT IS GRADUATION

Graduation is a milestone in life. It is an ending and a beginning. It is a stepping stone from the past - with its hours of study and its marvelous moments of fun to a new and somewhat different life filled with great challenges and responsibilities. Graduation is a sad and glad time of life when we must say "farewell" to fellow students and faculty and look ahead to new friends and acquaintances in our chosen profession. It is a time of laughter and tears, praise and witticism, oration and reflection. It is a day to be dead serious - and light-hearted, enthusiastic and apprehensive. It is leaving behind the old well-travelled ways and setting out on new unexplored roads, knowing that we are equipped through years of diligent study, work and application, with the tools necessary to make our way. Graduation is a proud and wonderful time of life, a happy and unforgettable event, sprinkled with moments of deep contentment, satisfaction and high hopes for the future.

Yes, graduation is an end - and a beginning.

PRESIDENT'S MESSAGE

The 1981/82 school year has been a terrific one for us here at the E.S.A. It's been hectic but it has also been a lot of fun organizing your student activities. We would like to thank the many friends who have assisted us throughout the year and would also like to wish you graduates the best in all your future endeavours.

Personally, I would like to thank the individuals in that picture above. How you ever managed to put up with this raging maniac I will never know. We came to this office as friends and it is with great pride that I say that we shall leave it as even better friends.

Thank you one and all.

John Pinsent
President E.S.A.

WHO'S WHO??

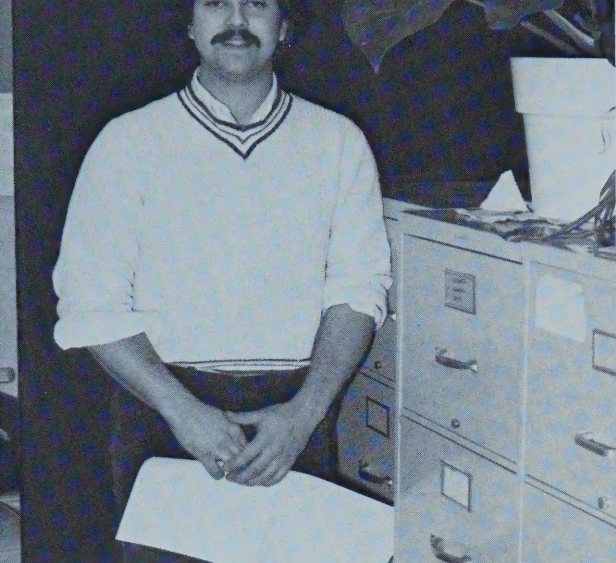

John (The Dictator) Pinsent

The ever screaming John will be returning next year to haunt Pat Mahoney and his new executive. Asked why he took the job of E.S.A. President John calmly replied, "For the Beer!!". Casablaca would have gone under without John's financial assistance. Way to go big guy ...

Bill (Clint) Schlacht

The financial wizard who couldn't get out of Accounting 202. Asked what he would do with his degree Bill replied, "Get an acting job with an ape and an old lady." Turn 'em loose Bill ...

Andy (Dieboshe) Samoil

The VP (non) Academic who leaves us and heads off to law school. Although we'd never let him represent us, we wish him well. And if we ever run into trouble (like an IRATE plumber), we know who to see ...

Zanra (you loved me in the Sun) Gargus.

Zanra, who will be returning to her native Lac La Biche, just wants to let us know that "Yes, I can stay still for more than two minutes." The girl who John called "The driving force behind the E.S.A.'s successes" won't be back to DRIVE US CRAZY. Thanks Ra, we will miss you.

Laura (I love to love) Kavanagh

The Causus chairperson over at S.U. has found a job here in Edmonton. The Special Ed. Expert has been special to all of us here in the faculty.

Carol (I should have been in pictures) Mayne

This raging beauty who has socialized us all to death will hit the teaching scene here in good old Edmonton ... Asked why she liked only Italian men, Carol could only say "cause they have such nice (censored)." Best of luck Carol.

Chris (Dr. Snap) Meade

The flamboyant E.S.A. photographer could not be reached for comment. Apparently Chris has found wealth and fun in some form of "Adult Movie Making". Oh well, it's a living. Actually, Chris will be back again next year. Watch out for those flash cubes ...

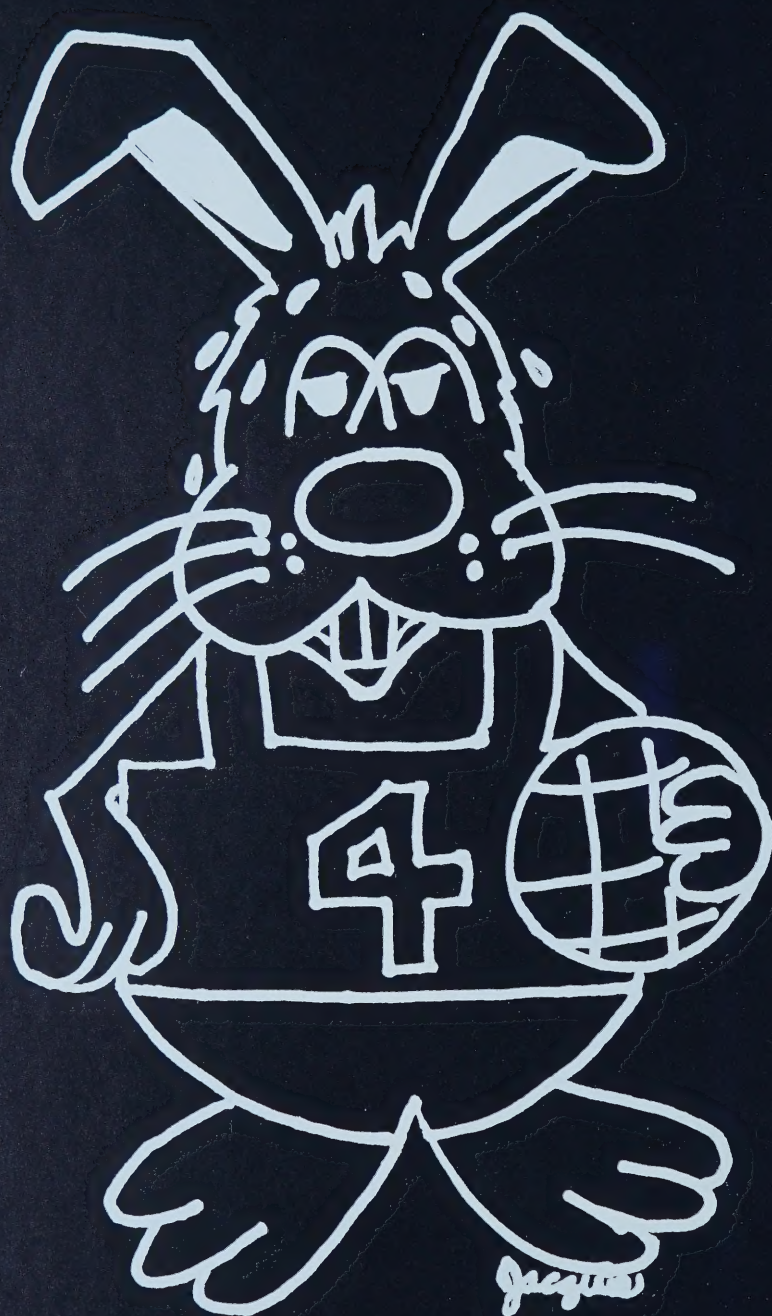

Renate (I'll never teach John and Bill piano again) Messer

Miss Publicity kept a low profile most of this year. Making several secret trips to Dawson Creek must have paid off. Renate will be heading there after one more year here in the faculty.

EARLY CHILDHOOD EDUCATION COUNCIL

PRESIDENTIAL MESSAGE FROM ROBIN WOODWARD

Teaching young children can be a rewarding experience if the teacher understands the special wants and needs of a growing child. This council has tried to provide it's members with materials to enrich the child's classroom experience and to help the child reach his or her potential.

Being a member of this council has as well given us the opportunity to meet people with the same interests, ambitions, and goals. Friendships are developed and I hope these are lasting.

In the future when we look back on our university days and through this yearbook, I hope the good times flood your memory, because we have been fortunate in attending this university.

On behalf of this year's executive, we would like to extend congratulations and best wishes for the future for the 1982 graduates.

Trophy, champagne, and prizes. What more could you ask for?

Chris and her crew curled their way to the championship.

Violet (our esteemed treasurer) and her cohorts managed to walk away with the runner-up position.

They may be last in the program (and about the same in curling!), but the E.S.A. team of Pat, Zanra, Bill and John are number one in our hearts.

Prizes and fun galore!

We only missed by that much!

Tell me another one!

Wild dancers.

PRESIDENT'S MESSAGE

With this last message that I have to write as president, I am having the most difficulty. I need something profound yet, sentimental that is appropriate for a yearbook. I am very rarely profound, and more often sentimental; now you know what to expect.

The activities ... a general meeting with a guest speaker on IYDP, a basement social, a presentation on stress and burnout, four publications of our newsletter, a present-on discipline at a second general meeting and the list goes on and on ...

To this year's executive, especially Laura Kavanagh, Terry Fowler, Debbie Thomas, and Valere Gaetz, thanks so much.

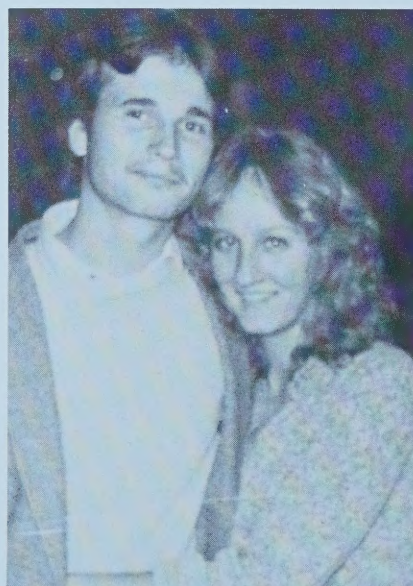

To John-John and Clint and the rest of the ESA gang, my thanks and my best wishes.

To all of you, especially those graduating this year, have "exceptionally good lives."
